

MONTHLY NEWSLETTER. SEPTEMBER 2021 ISSUE.

Welcome to the September edition of our newsletter with the latest news, views and events from Women in Tech forum.

We've been busy over the summer updating our member platform, so be sure to log on to check our latest articles on career development, wellbeing, book reviews and of course to watch the latest event recordings and interviews with female role models.

We always welcome feedback, so please share any comments or suggestions to angie@womenintechforum.com.

FINDING YOUR AUTHENTIC VOICE

IMPOSTER SYNDROME

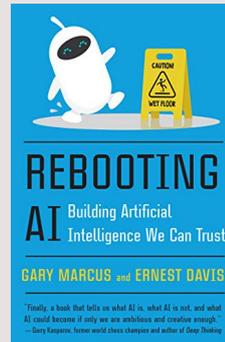

Recent studies suggest that as many as 70% of us have suffered from imposter syndrome at some point in our career, with this being particularly prevalent amongst high achievers. With imposter syndrome, people often feel undeserving of their own achievements and feel that success is just ...

REBOOTING AI

AI is regularly in the news, often boasting new milestones that have been broken or forecasting job losses due to advancements. It is often difficult to understand where our AI is currently and where it will go in the future. AI is very good at winning a game of Jeopardy but in the real world ...
